NOTIFICATION OF ORGANIC CERTIFICATION STATUS: IN GOOD STANDING

To whom it may concern:

Onset Worldwide, LC is in process of their annual audit for continuation in organic certification and continues in good standing. The NOP regulations state that, once certified, a production or handling operation's organic certification continues in effect until surrendered by the organic operation or suspended or revoked by the certifying agent, the State organic program's governing State official, or the Administrator.

An updated certificate will be issued in the near future. A Bee Organic will provide an electronic copy to you on request, or you may contact Onset Worldwide, LC.

Please feel free to call the A Bee Organic office at 760-731-0155 if you have any further questions or concerns.
